

About Pilgreen's

Welcome to Pilgreen's and its rich traditions which began in 1932 with the founding of our first restaurant on the corner of Fifth and Spring Streets by Ira W. Pilgreen. A butcher by trade, he later developed a special steak seasoning which we still use today.

In 1933 Pilgreen's moved to North Avenue near Georgia Tech and in 1949 to Lee Street. In keeping with family traditions Pilgreen's South, opened in 1983, and Pilgreen's on Lake Dow in 1999. After 79 years of operation by three generations, Pilgreen's is one of the oldest full service restaurants in Atlanta operated by the original founding family.

A member of the management team is on duty at all times to serve you, assist you, or answer any questions you might have. Maintaining the high standard of our excellent food and service through the years has made Pilgreen's one of the most popular dining places in the Atlanta area.

Be assured that we will strive to the best of our ability to make this and future visits to Pilgreen's as pleasant and enjoyable as possible for you.

Our sincere thanks for allowing us to serve you with "The Best in Steaks" since 1932.

Sincerely,
The Pilgreen's Family
